Hi Max-

Just curious if there have been any changes in the [REDACTED] case scheduled for trial on July 12, and if you think the case will actually go to trial. I'm asking as I may have cases in Springfield Superior and Pittsfield Superior Court that day. I'm not as worried about the Springfield case (the ADA doesn't think she'll need me until later in the day, if not on Wednesday, and Springfield is a lot closer to Holyoke than Pittsfield is). However, the ADA in Pittsfield isn't sure if she will get to me on Monday (they only have court until 1pm), and possibly wants me there at 9am on Tuesday. I will ask her, if I end up needing to be there on Tuesday, to put me on first so I can get back to the area hopefully by 11ish, but from what I hear about this ADA, she may not get to me right away.
